WELCOME

Welcome to the Swim England West Midland Winter Championships 2024. This event, being the shorter of the 2 annual age group events, always brings excitement amidst a busy season.

We want to congratulate all of the swimmers in the Region who have qualified, as that is a huge achievement in itself. Good luck, and enjoy the experience.

Thank you as always to our volunteers, including our officials, coaches, team managers, parents and supporters, and everyone involved in a swimmers journey up to this event. We are grateful for your passion to the sport.

SAFEGUARDING

POOLSIDE ACCESS

Access to poolside will be limited to competitors, event staff and volunteers, and club coaches and TMs who possess the required accreditations. Checks will be taking place on entry and exit, as well as during the competition.

Changing rooms must only be accessed by swimmers. All poolside staff may use the spectator side corridor to reach reception. Poolside staff may use the spectator side toilets, exceptions made only for accessibility needs.

WELFARE

Urgent welfare concerns during the event should be raised with the events team in the first instance. Attendees should seek a member of the team by asking at the timing suite on poolside. This will then be managed by the appropriate person.

For non-urgent welfare concerns, please contact either your county or regional welfare officers, using the email address below:

SPECTATING

We would love for you to join us and support the athletes racing at this event.

- Spectators will enter the building via the front doors, into reception. There will be a queue up the stairs to the balcony, and spectators will need to present their spectator ticket from their phone, or printed off.
- Each ticket holder will receive a hand stamp to confirm their entry (and re-entry during the time of their ticket), and directed to the spectator stand.
- Tickets will be valid for the time specified on the receipt. Each sessions ticket is also valid for the finals session of that day.
- The spectator balcony **will be cleared at the end of each session.** Spectators who have multiple tickets will need to present their stamp to the volunteer and can be re-admitted. Tickets will be available to purchase up to and during the event, subject to availability.

IMPORTANT NOTICE. Please be aware that there is to be no filming or photography from the spectator stand. This is in order to protect any vulnerable children who for their safety cannot be photographed, who may be captured in the background of your image. The livestream will record the event, and will be informed of any races that cannot be shared. Thank you for your understanding.

If no consent withdrawals are made, we may lift this policy, but this will be communicated on the day of the event.

PROUD CHAMPIONSHIP PARTNER

“

My family grew up swimming competitively for local swimming clubs in the West Midlands Region, and more locally to us, Worcester County.

I have seen firsthand the benefits the sport can have in developing and building a young persons character and resilience, and the sport continues to be close to mine and my families hearts through adulthood, not only with my 4 year old daughter more recently starting her own learn to swim journey.

Swimming and aquatics is important for a whole host of reasons, not only being a crucial lifesaving skill, but bringing people together for a common purpose, increasing confidence and self esteem and keeping people active.

“the sport continues to be close to mine and my families hearts through adulthood”

After seeing the brilliant work of which Swim England West Midlands do, including how much they give back to the local communities in the region, we are honoured to be sponsoring and supporting Swim England West Midlands throughout 2024.

REGIONAL DEVELOPMENT PROGRAMMES

We are pleased to announce the re-launch of the Regional distance Development programme (RDDP) for the upcoming season

Our 2024/25 Regional Development Programme (RDP) and Regional Distance Development Programme (RDDP) are due to start on the 21st December in Coventry. Swimmers have been selected following the Swim England Talent criteria, and invited to take part, with 90 places available across both programmes.

Swimmers will receive workshops on nutrition and psychology together, and for the RDP, physiology.

The RDDP will have the addition of a lake session, where swimmers can learn open water skills leading into the Regional and National Open Water events next summer.

The programmes also aim to support coaches from across the Region in their development. The Region selects coaches to deliver the sessions, and they are each supported by the Head Coach and Swim England. The skills and experiences gained at the camps can be taken back to their home programmes to enhance their delivery.

Swimmer and coach selections for 2024/25 will be communicated out once the invitation deadline has passed.

CALLING ALL COACHES

The coach CPD will return in 2025, on the 14th June, running alongside the final RDP camp at Sandwell Aquatics Centre. This is a great opportunity to see the programme, network with other coaches, and learn from one of our Swim England Talent Officers, who will deliver a workshop on the day.

Sign up will be completely FREE.
