Swim England West Midlands have teamed up with the Swim England Safeguarding Team to deliver an informative, educational and supportive day for the Welfare Officers (WO) across the region, including County and Regional. We want to ensure that the WO's in the region feel supported, informed and have an opportunity to network and gain support and guidance from fellow WO's and staff members. We hope that this conference will facilitate this vision and appreciate your engagement with the day. Attendance at the conference is free of charge, lunch and refreshments will be provided.
